# The States Quarter Program

## COINS OF AMERICA'S STATE QUARTER COLLECTION

IS A BETTER WAY TO COLLECT  
THE STATE QUARTERS

The quarters are shiny and new, and have never been in circulation. We give you two quarters, one each from the Denver (D) and Philadelphia (P) mints, to help you build a complete collection.

The Collection is a bright and colorful display for your State Quarters. And there's more inside! Open it up to discover the unique history and culture of the state through stories, fast facts and state trivia.

**A NEW STATE QUARTER  
EVERY 10 WEEKS!**
