

# WISCONSIN

America's leading producer of cheese and butter; 65,503 square miles in size; home to 5,363,675 people, 7,446 rivers and streams, more than 15,000 lakes and America's most famous frozen tundra; birthplace of Orson Welles, Frank Lloyd Wright and Liberace. Celebrate the Badger State with these:

## WISCONSIN STATE QUARTER PRODUCTS

### GOLD-PLATED WISCONSIN STATE QUARTER COLLECTIONS

We take the quarters from the Wisconsin State Quarter Collection and double-plate them with 24-karat gold. A novel treat for the coin lover and a great way to show home state pride.

### WISCONSIN STATE QUARTER ROLLS

Take your pick of 40 uncirculated Denver (D) or Philadelphia (P) mint mark Wisconsin State Quarters, packed securely in our custom quarter rolls. A great way to stock up on your Home State Quarter.

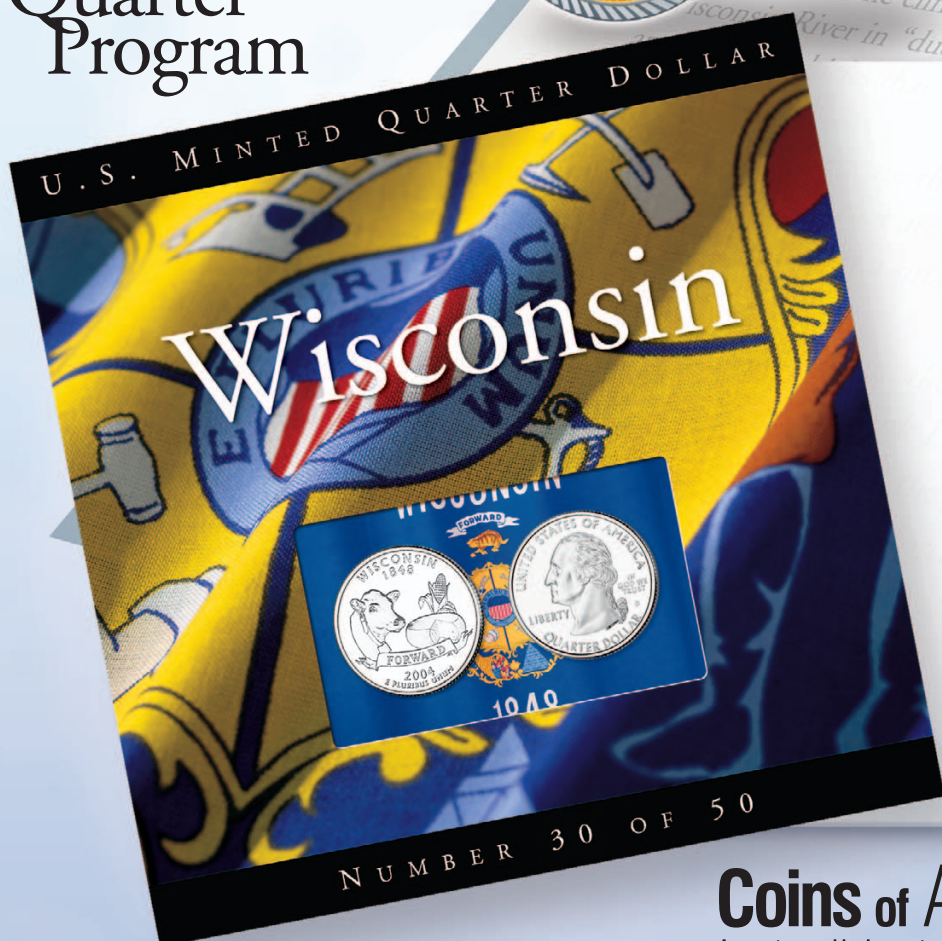

### WISCONSIN STATE QUARTER MONEY CLIPS

Set securely in a gold-plated diamond-cut bezel and gold-plated clip, you'll find your choice of an uncirculated or gold-plated uncirculated Wisconsin State Quarter.

### WISCONSIN STATE QUARTER NECKLACES

Keep the Home State Quarter close to your heart with these necklaces, which feature a sterling silver chain and bezel. Your choice of uncirculated or gold-plated uncirculated Wisconsin State Quarter.

## DO YOU KNOW?

Wisconsin's original "badgers" weren't animals. What were they?

Who was Robert "Fighting Bob" La Follette?

What got its start in a little white schoolhouse in Ripon in 1854?

The "ducks" at the Wisconsin Dells aren't birds. What are they?

You'll find the answer to these questions, and many more great Wisconsin stories, in the
